MEDICARE ANNUAL ENROLLMENT

October 15 – December 7, 2026

DON'T AUTO-RENEW WITHOUT A REVIEW.

Make sure you're in the right Medicare health plan for 2027.

Medicare plans can change from year to year — including costs, benefits, provider networks and prescription drug coverage. Taking time to review your plan can help make sure your coverage still fits your health needs and budget.

Don't assume your current plan will be the right plan for 2027.

WHY REVIEW YOUR PLAN EACH YEAR?

- ✓ **Your Plan** — Make sure your 2027 plan continues to include your Choice Medical Group physicians and providers.
- ✓ **Your Prescriptions** — Confirm your medications are covered and review any cost changes.
- ✓ **Your Costs** — Check premiums, deductibles and copays.
- ✓ **Your Benefits** — Review added, changed or updated benefits for 2027.
- ✓ **Your Healthcare Needs** — Your health may change, and your coverage should too.

CHECK YOUR ANNUAL NOTICE OF CHANGE

Your Medicare plan sends an Annual Notice of Change each fall. Review it carefully for changes to:

- ✓ Monthly premiums and other costs
- ✓ Prescription drug coverage
- ✓ Provider and pharmacy networks.
- ✓ Benefits and services

YOUR 2027 COVERAGE MAY NOT BE THE SAME AS YOUR 2026 COVERAGE.

MEDICARE EDUCATIONAL MEETINGS

Choice Medical Group is offering no-obligation Medicare educational meetings to help you understand important Medicare changes for 2027.

Meeting dates and locations are listed on the following page.

WHAT TO KNOW FOR 2027

Important changes to Medicare Part D in 2027 include:

\$700

Standard Part D deductible

\$2,400

Annual out-of-pocket threshold

\$0 cost

Sharing in the catastrophic phase

After reaching the \$2,400 Part D out-of-pocket threshold, there is no additional cost sharing for covered Part D drugs for the remainder of the year.

WE'RE HERE TO HELP

Have questions about your Medicare options for 2027?

Meet with us in person or by phone to review your Medicare options for 2027.

YOUR HEALTH MATTERS

**HAVE YOU
SCHEDULED
YOUR
ANNUAL EXAM?**

WHY AN ANNUAL EXAM IS IMPORTANT

Annual exams are an important part of staying healthy at every age. They give you and your primary care provider an opportunity to review your overall health, discuss concerns, and identify potential health issues early. Even if you're feeling well, preventive care can help keep you on track with recommended screenings, vaccinations, and medications.

ANNUAL EXAMS CAN HELP:

- ✓ Detect health issues early
- ✓ Manage chronic conditions
- ✓ Stay current on vaccinations
- ✓ Review medications
- ✓ Support your overall health

YOUR EXAM MAY INCLUDE:

- ✓ Blood pressure check
- ✓ Cholesterol screening
- ✓ Diabetes screening
- ✓ Recommended cancer screenings
- ✓ Vaccinations
- ✓ Medication review & updates
- ✓ Bone density screening

Return to the Life You Love

And the moments you don't want to miss.

NEW!
JIFFY KNEE™

A DIFFERENT APPROACH TO KNEE REPLACEMENT

Introducing the Jiffy Knee™ approach at Premier Ortho

Knee pain can make walking, exercising and everyday activities increasingly difficult. When knee replacement becomes the next step, the surgical approach can make a difference.

The Jiffy Knee™ approach is designed to minimize disruption to the soft tissues surrounding the knee while maintaining surgical precision — with a focus on mobility, function and recovery.

THE JIFFY KNEE™ DIFFERENCE

MINIMIZES SOFT-TISSUE DISRUPTION

Designed to reduce unnecessary disruption around the knee.

FOCUSED ON MOBILITY

Designed to support movement and joint function.

RECOVERY IN MIND

An advanced approach focused on supporting recovery.

GET BACK TO LIFE

Helping patients return to the activities they enjoy.

Is knee pain keeping you from the life you love?

Talk with your physician about whether knee replacement may be appropriate for you.

4 WAYS TO MAKE YOUR URGENT CARE VISIT EASIER

1 USE THE PATIENT PORTAL

Save time at check-in! Use our Patient Portal before your visit to complete your information and avoid waiting at the check-in desk.

2 WHAT TO BRING

Bring your photo ID, insurance card, current medication list, and any relevant medical information related to your visit.

3 KNOW YOUR MEDICATIONS

Have an updated list of your prescriptions, over-the-counter medications, vitamins, supplements, and medication allergies.

4 CONVENIENT LOCAL CARE

8:00 AM - 7:30 PM

- ✓ No appointment needed
- ✓ Walk-ins welcome
- ✓ Call with questions during business hours

MORE THAN A TYPICAL URGENT CARE.

Advanced diagnostics. Experienced care. Close to home.

ADVANCED DIAGNOSTICS

Advanced diagnostic capabilities help us evaluate and treat a wide range of conditions.

- On-site X-ray & ultrasound
- Same-day access to CT & MRI
- Laboratory testing
- D-dimer & troponin testing

EXPERIENCED CARE

ER-trained physician on staff

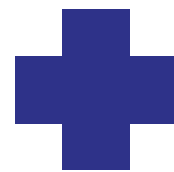

Experienced care with access to ER-level imaging, labs and diagnostic capabilities.

Many conditions can be evaluated and treated without an unnecessary ER visit.

UNDERSTANDING THE DIFFERENCE

Urgent Care vs. Emergency Room

Knowing where to go for care can save you time, reduce stress, and help you get the right treatment when you need it.

GO TO URGENT CARE

for common conditions that need treatment soon, not life-threatening, but can't wait for an appointment.

- Allergic reaction
- Animal or insect bite
- Back pain
- Bad cold or flu
- Cuts requiring stitches
- Earaches
- Eye infection or irritation
- Minor fever or burns
- Nausea, vomiting and diarrhea
- Skin conditions
- Sore throat
- Sprains or strains
- Suspected broken bone, not shifted out of place
- Urinary tract infection

GO TO THE EMERGENCY ROOM

for symptoms that are severe, life-threatening or come on suddenly.

- Broken bone, shifted out of place
- Coughing or vomiting blood
- Chest pain
- Difficulty speaking
- Head or eye injury
- Poisoning or overdose
- Severe burns
- Signs of stroke (numbness or weakness of limbs)
- Shortness of breath
- Sudden loss of consciousness
- Uncontrolled bleeding

When in doubt, it's always better to be safe.

If you think it's an emergency, call 911 or go to the nearest ER.

STAYING HEALTHY AT CHOICE

MORE THAN HEALTHCARE — OPPORTUNITIES TO STAY ACTIVE, CONNECTED AND INFORMED.

Staying healthy is about more than doctor visits. At Choice Medical Group, we believe good health includes staying active, connected and informed about your health.

That's why Choice offers programs, classes, educational opportunities and additional support to help you live a healthier, more fulfilling life.

Whether you want to meet new people, try a fitness class, learn more about your health or get extra support when you need it, there are many ways to get involved at Choice.

STAY CONNECTED

Staying socially connected is an important part of healthy living. Join us for painting and crafts, Game Day, social activities and special events. It's a great way to meet new people, try something new and enjoy time with friends.

Painting & Craft Classes

SOCIAL CLASSES

Painting, crafts and other group activities offer a fun way to stay creative, socialize and connect with others. Check the Senior Kicks Club calendar for upcoming activities and events.

KEEP MOVING

Movement is an important part of staying healthy at every age. Fit Lab Fitness Center offers classes and activities designed for different interests and fitness levels.

From yoga and balance to strength and group exercise, there are many ways to keep moving, build confidence and make physical activity part of your routine.

LEARN ABOUT YOUR HEALTH

Knowing more about your health can help you take a more active role in your care. Choice offers Health Academy, Wellness Way classes, Doc Talks and educational seminars throughout the year.

Topics include vascular health, diabetes, hormones and other health and wellness concerns, with opportunities to learn from healthcare professionals and ask questions.

EXTRA SUPPORT WHEN YOU NEED IT

Sometimes staying healthy takes additional support. RX Fitness provides exercise and fitness support, while RX Nutrition offers nutrition education and guidance for eligible patients.

For those with more complex healthcare needs, Complex Case Management provides added support and helps patients better navigate their care.

Monthly Bingo for Prizes

MORE WAYS TO LIVE WELL, STAY CONNECTED & TAKE CHARGE OF YOUR HEALTH

There's always something happening at Choice. Try a class, attend a seminar, join a social activity or discover a program designed to support your health and well-being.

Get involved. Stay connected. Make your health a priority.

DID YOU KNOW?

Choice offers programs and resources designed to support your health beyond the doctor's office.

Stay active. Stay informed. Stay connected.

PREVENTING FALLS

AND STAYING INDEPENDENT

INTRODUCING BODY BALANCE

Falls are one of the leading causes of injury among older adults, but many falls can be prevented through regular movement, improved balance, and healthy lifestyle habits.

Staying active and maintaining strength can help seniors remain independent, confident, and safe in their daily activities.

Simple steps such as removing tripping hazards, wearing supportive shoes, staying hydrated, improving lighting in the home, and participating in regular exercise can greatly reduce the risk of falls. Balance and flexibility exercises are especially important for maintaining mobility and preventing injuries as we age.

At Choice Medical Group, we encourage patients to stay active through wellness and fitness programs designed to support healthy aging.

Choice Medical Group now offers the RX Fitness Body Balance class **for all ages**, designed to help improve:

- Balance and coordination
- Strength and flexibility
- Mobility and stability
- Confidence with movement
- Overall wellness

Body Balance may also help **support recovery from surgery** or assist all patients looking to safely **return to fitness** in a supportive environment.

*Stay Active, Independent &
Supported.*

HEALTHY LIFESTYLE

NUTRITION & WELLNESS PROGRAM FOR HIGH-RISK CHOICE MEDICAL GROUP PATIENTS

Good nutrition and healthy lifestyle habits play an important role in managing chronic conditions and improving overall wellness. Proper nutrition may help support heart health, blood sugar control, weight management, energy levels and long-term health outcomes.

Choice Medical Group offers RX Nutrition, a wellness-focused program designed to support high-risk patients through personalized nutrition guidance, education, accountability and ongoing support.

This program is designed specifically for high-risk Choice Medical Group patients who may benefit from additional nutrition and wellness support.

PROGRAM HIGHLIGHTS

- Personalized nutrition guidance
- Chronic condition wellness guidance
- Healthy lifestyle education
- Accountability and encouragement
- Meal planning assistance
- Long-term wellness support
- Online support resources

RX Nutrition provides high-risk patients with education, support and practical guidance to help build healthier habits.

Ask your Choice PCP if RX Nutrition is right for you.

Support for better health outcomes and quality of life.

May help manage chronic conditions and reduce risk.

Practical guidance for healthier living and daily choices.

Ongoing support to help you stay motivated.

HEALTHY HOLIDAYS

ENJOY THE SEASON WITHOUT PUTTING YOUR HEALTH ON HOLD

The holidays are a time for family, friends and favorite traditions. They can also bring busy schedules, extra treats and changes to our normal routines.

The good news? You can enjoy the season while still taking care of your health. A few simple choices can help you feel your best without missing the foods, festivities and moments that make the holidays special.

BALANCE, NOT PERFECTION

Holiday meals are meant to be enjoyed. Choose the foods you love, watch portions and take time to enjoy your meal. Balance holiday favorites with vegetables, lean proteins and other nutritious choices.

SMALL CHOICES ADD UP

You don't have to skip your favorite traditions to stay on track. Small choices throughout the season can make a difference.

MORE WAYS TO STAY HEALTHY THIS HOLIDAY SEASON

The holidays can make routines harder to maintain. Look for simple ways to keep moving — play outside with the grandkids, take a walk after dinner or make time for your favorite fitness class.

Even a little activity can support your energy, mobility and overall well-being.

ENJOY YOUR FAVORITES

Holiday favorites are part of the celebration. Enjoy the foods you love, but be mindful of portions and balance richer choices with healthier options.

Eat slowly, enjoy each bite and stop when you're comfortably satisfied.

DON'T FORGET YOUR HEALTH

Holiday schedules can get busy, but your health still matters. Keep scheduled appointments, take medications as directed and refill prescriptions before holiday travel.

If you have questions or aren't feeling well, don't put off getting the care you need.

Choice Medical Group is here for you throughout the holiday season.
